Excerpt from Fr. Joe Breighner's  
**"More Reflections Along A Country Road"**

*GOOD EXAMPLE*

The most effective way we share our scriptures, our understanding of the sacraments, our prayer life and our image of God, is by how we live. As someone has profoundly put it, "People may not always believe what you say, but they will always believe what you do."

So our effort is to live as Jesus asked us to live when He gave the criteria for entering the kingdom of God, "I was hungry and you fed me; thirsty and you gave me something to drink; naked and you clothed me; in prison and you visited me; a stranger and you took me in"

Put simply, the best way to show our belief in God is through the sermon of our lives.

**When we treat the least person the way we treat God, then we become believable and God becomes visible.**

*Father Joe Breighner*
