Financial Secretary Report

2015 Year End Statements

2015 Year End offering statements are now available. In an effort to reduce paper waste and cost, I plan to e-mail the members of the congregation their year end statement by mid-February 2016. Please send an e-mail to zabupp@gmail.com if you would like your year end offering statement e-mailed to you prior to this date. Paper statements can be made available upon request.

Financial System Upgrade

Our financial system is currently in the process of being upgraded to the latest software version from our Church Management System provider. The upgrade is expected to complete this week, however, it has caused a delay in offering deposits to the bank. Please be patient with us as this transition completes. I expect the normal offering deposit cadence to resume the week of 25 January 2016.

Thank you

Zach
