#### Hope Tote Drive

You may remember the highly successful “Man Cave I” drive from 2014 that was our first work with the Helping Up Mission that provides support for homeless men in Baltimore ([www.helpingupmission.org](http://www.helpingupmission.org)). *We now announce “Man Cave II”* to again collect men’s toiletries for Helping Up—urgently needed items include stick deodorant, toothpaste, shower shoes, foot powder, shaving cream, double or triple blade razors, bar soap, shampoo, undershirts and boxer shorts (M-XL) and gym sox. Thanks for your support of this important cause; please leave donations in the display in the narthex.

**"Thank You"**-I'd like to thank everyone who participated in the "Raise the Roof with Music" hymn sing. Everyone gave their God's gift of music, either by singing, playing or both. It was an enjoyable event, and along the way we made a little money for the roof. You graciously gave \$1,500! Thanks so much.

**SOCIAL OUTREACH NETWORK UPDATE:**

**AWAKENING THE SLEEPING GIANT**

Social Outreach was recognized as among the most important ministries to St. Paul's parishioners in our 2014 Ministry Site Profile and continues to receive generous support for its projects. However, the current list of active SON projects does not fully reflect the broad congregational enthusiasm for this ministry. Indeed, Pr. Gerry, the pastoral lead for Social Outreach, accurately described St. Paul's as a 'sleeping giant' with respect to its potential to advance this ministry. Our goal for 2016 is to determine how to 'awaken' this giant and expand the ways that St. Paul's serves those in need at the local, national and global levels. As a first step in this direction, a recent SON meeting brought together Pr. Gerry's fresh perspective and outreach experience with the input and new ideas of eleven parishioners to brainstorm about SON direction and participation. Areas identified to enhance SON involvement and projects included: increasing communication of outreach opportunities, exploring new areas of need to expand project diversity and collaborating with other ministries in joint outreach projects. The success of these and other ideas to awaken the 'sleeping giant' will occur one small step at a time but cannot happen without help from the full St. Paul's community. Please consider bringing your ideas- small or large, recurring or one-time- to our team. You will enjoy the fellowship of this rewarding ministry.

**St. Paul's Lutheran Brotherhood Scholarship Program**

The St. Paul's Lutheran Brotherhood educational scholarship program provides financial assistance to high school students who have actively participated in church related activities at St. Paul's. The Brotherhood will be accepting applications from high school students who will be graduating this year and will attend an institution of higher education after graduation. Additional information about the application process can be found on the table in the Narthex. Information will also be published in the Brotherhood section of St. Paul's web page.
