**LIVE THE GOSPEL
WHATEVER IT TAKES**

ALL ARE WELCOME!

As a Jesuit parish, we believe we are called to explore, discover, respect, protect, and enhance whatever is humane and graced in every person, and in every culture.

We believe that diversity shared with love and respect enriches all of us and makes us more compassionate and creative. We seek to walk with others and to invite them to walk with us.

We encourage people to reflect on their experiences and to discern God's presence in their lives. Our desire is to nurture lay leadership as well as personal faith, a "faith that does justice," by way of solidarity with the poor and dedication to the greater good.

We believe that working hard to cooperate with and share God's generosity and compassion is one of the privileges of being human—and that what we owe to God, to creation, to one another is gratitude, humility, reverence, and service.

We publish a weekly electronic magazine called *Parish: 'the thought'*. This comes out every Tuesday and will give you all the information you need for what is happening in and around the St. Ignatius Catholic Community. If you are not yet subscribed but would like to be, go to <http://www.st-ignatius.net/ezine/>

13th Sunday in Ordinary Time

THE MAIN THING

Carissimi,

The following poem by poet, Brian Bilston, speaks for itself:

*They have no need of our help
So do not tell me
These haggard faces could belong to you
and me
Should life have dealt a different hand
We need to see them for who they really are
Chancers and scroungers
Layabouts and loungers
With bombs, up their sleeves
Cut-throats and thieves
They are not
Welcome here
We should make them
Go back where they came from
They cannot
Share our food
Share our homes
Share our countries
Instead let us
Build a wall to keep them out
It's not okay to say
These are people just like us
A place should only belong to those who
are born there
Do not be so stupid to think that
The world can be looked at another way*

[Now read from the bottom to the top]
